Sir,

PROCUREMENT - Paddy & Rice - Bonus Scheme, 1947 - Bonus payment for deliveries of foodgrains - outstanding references - Addl. post of a L.D.C. in the Dt.Supply Office - Retention - Further sanction requested.

Ref: G.O.Ms.No.856 Food Department dated 25-9-1948.

Sanction was accorded for the employment, for a period of two months from the date of appointment or till the necessity for his employment ceases, whichever is earlier, of one lower division clerk on Rs.45-00 per mensem for bonus work in the office of the Dt. Supply Officer of this district. The necessity for the employment of this clerk was fully explained in this office Ref.C.No.17448-48-P5 dated 25-8-48. The circumstances under which this additional post was sanctioned have not changed. The clerk joined duty on 21-10-48 and as such, the period of employment now sanctioned will expire on 21-12-1948. There are now 870 items of objection of the Accountant-General Madras, which remain to be replied to. Objections for the month of September 1948 are being received now. Hence, it is clear that the objections for remaining period and for the bills yet to be paid in this district is likely to be received henceforth. As the replies of the subordinate officers have to be watched and carefully scrutinised before they are forwarded to the Accountant-General, the retention of the clerk till this work is completed is essential. I therefore request that the Board may be pleased to obtain sanction from the Government for the retention of the clerk till the end of March 1949 or till the necessity for the above post ceases whichever is earlier.

I request early orders of the Board in this Matter.

Fort St. George,
Madras,
D.O.No.53423-E/48 Dated the 6th January, 1949.

My dear Mani,

Sub: ESTABLISHMENT - South Kanara District - Payment of bonus to producers - Additional clerk - Continuance.
--:--

I am to say that orders are under issue sanctioning the proposal of the Board of Revenue(Civil Supplies) to continue for a further period of 2 months the clerk employed in the office of the District Supply Officer, South Kanara, under G.O.No.856,(Food), dated 25--9--1948. In this connection, I am to point out that the progress in the disposal of bonus applications is poor as according to the information available here between 16th August 1948 and 1st November 1948, only 4 out of 76 'B' class applications and 17,646 out of 30,177 'C' Class applications had been disposed of ~~and that in respect of applications so disposed of an enormous number of objections have been received from the Accountant General, Madras.~~ I am to request that the attention of the Collector may be drawn not only to ~~these~~ facts but also to the large number of audit objections, which seem to suggest that the work is not being done efficiently.

Yours sincerely,

o/c mas 7/1/49
